

6th Chemistry Control Test for BMC I students

March 31, 2025 Monday, 6 p.m.

Places of the SCT6:

- Gr. 1, 2, 3, 4, 5, 6: Learning Center, 014 Lecture Hall
- Gr. 7, 8, 9, 10, 11, 12: IVDI, Lecture Hall

You are required to go to the assigned lecture hall. No late show up, no early leave (min. 55 min).

What you need: a blue pen (no pencil), a SIMPLE calculator, PICTURE I.D.

What *strictly forbidden is*: any kind of electronic device (mobile phone, tablet, scanner pen, spy pen)

The test will include the topics of the second semester week 5-7 lectures and seminars:

Aromatic compounds 1: aromaticity, classification and nomenclature

Aromatic compounds 2: reactions

Organic halogen compounds.

Alcohols and phenols.

Summary of organic chemistry 2

Text books:

Organic Chemistry for Premedical Students <http://bmc.unideb.hu/organicchemistry/mobile/index.html#p=1>
