

4th control test in Chemistry for BMC I students

December 9, 2025 Tuesday, 8 a.m.

You are required to go to the assigned lecture hall. No late show up, no early leave (min. 55 min).

What you need: a blue pen (no pencil), a SIMPLE calculator, PICTURE I.D.

What *strictly forbidden is*: any kind of electronic device (mobile phone, tablet, scanner pen, spy pen)

The test will include the topics of the first semester week 12-14 lectures and seminars.

Places of the SCT 4:	Gr. 1, 2, 3, 4:	Learning Center,	Lecture Hall 014
	Gr. 5, 6:	Department of Pathology	Lecture Hall
	Gr. 7, 8:	Department of Obstetrics and Gynecology	Lecture Hall
	Gr. 9, 10, 11, 12:	Theoretical Building	Lecture Hall

Acids and bases 1 (McMurry pp.689-704)

Acids and bases 2 (McMurry pp.705-719)

Redox reactions. Activity series of the elements. (McMurry pp.169-179, 848-852)

Galvanic cells (McMurry pp.853-866)

Summary of general chemistry 4

Textbook: McMurry: Chemistry 8th edition, Global edition
